

# Royal Dragon's Blood™ Liquid Herbal Extract

## Botanical Name: *Sangre de grado (drago)*

*Dragon's Blood (Sangre de Grado) is a wildcrafted resin (tree sap) that looks like blood and comes from the Croton lechleri trees found in the Amazon rainforest of Peru.*

*Indigenous peoples throughout Peru and Ecuador use Dragon's Blood externally to stop bleeding and help heal wounds and internally for stomach ulcers and intestinal upset such as "traveler's diarrhea."*

## Supports

- Wound healing (cuts, bites, burns, stings, rashes, acne, abrasions, sores, etc.) and helps minimize scarring\*
- Healthy skin by reducing skin tags, blemishes and moles\*
- Tightening the skin in beauty applications (20-minute mask for a lift)\*
- Healthy GI tract\*
- Anti-viral, antibacterial, anti-fungal and anti-parasitic activity\*
- Shown to be a great rinse for bleeding gums and abscessed teeth\*

## Directions for Use

**External Use:** Soak or dab liberally 2-4 times a day including wounds, insect bites, warts, pre-cancerous spots on skin, etc.

**Internal Use:** Take 8-10 drops in water on an empty stomach 2 times daily, 5 times a week for up to 8 weeks or consult a physician. Take a probiotic away from food while using internally.

**Warning:** Consult your physician if condition persists or if pregnant or nursing.
