

## Royal Maca® for Men

*Young men benefit from using Royal Maca® because it increases their energy, stamina, mental focus, and helps reduce hormone-related skin problems (acne).\**

*Royal Maca® will help men with low testosterone to modestly increase their testosterone level and help all men increase the number of testosterone receptors needed to enhance libido, sexual function, stamina, mental focus and vitality. Maca root helps the liver produce a higher level of IGF-1 needed to support the functioning of the testes and for increasing testosterone receptors.\**

### Supports

- Healthy libido and erectile function without raising testosterone levels\*
- Prostate health\*
- Energy, mental focus and good mood\*
- Slowing of hair loss due to DHT (Dihydrotestosterone) – the type of testosterone that causes hair loss and prostate enlargement\*
- Building and repairing muscle and bone\*
- Helps the body make anti-inflammatory (anti-carcinogenic) testosterone and estrogen\*

### Directions for Use

*Supports healthy sexual functioning and a healthy prostate when used as part of the daily diet.*

**Immediate and Urgent Use:** Take 4-8 capsules a day for same day effect.

**Maintenance:** Take 2-6 capsules daily depending on age, health condition and individual sensitivity. If side effects appear, such as headache, loss of libido, etc. take every other day or reduce dosage.
