

# Royal Chanca Piedra™ Kidney-Bladder Support

## Botanical Name: *Phyllanthus niruri*

Formerly Royal Break-Stone™ (same great product with a new name)

The name "Chanca Piedra" means "to break up stones" in Quechua and Spanish. Royal Chanca Piedra™ contains a variety of *Phyllanthus* species and is sold under two labels, one for liver-gall bladder and the other for kidney-bladder, to better highlight how it works in the body. The contents of the bottles and the benefits listed below are the same for both product labels. This botanical product is also available in a loose tea form.

## Supports

- Optimal kidney function\*
- Bladder and healthy urination\*
- Healthy uric acid level\*
- Liver detoxification\*
- Good digestion\*
- Healthy gall bladder\*
- Healthy liver function and liver enzyme levels\*
- Healthy LDL cholesterol levels\*

## Directions for Use

Take on an empty stomach.

**For Immediate and Urgent Use:** Take 30-60 drops (1-2 capsules) 4-6 times a day, away from food with a glass of water.

**Long-Term and Maintenance Use:** Take 30 drops (1 capsule) 1-3 times a day, away from food 4-7 days a week.

**Consult your physician if pregnant or nursing.**

Scientific studies support the use of this herb for kidney, bladder and liver-gall bladder health.\*

**Warning:** Do not attempt to self-treat if you think you have gall stones or kidney stones. Whole World Botanicals does not sell drugs to treat diseases. This product is intended to support the structure/function of the body. If you think you have gall stones or kidney stones, consult your physician.
