

Royal Chanca Piedra™ Tea

Botanical Name: *Phyllanthus niruri*

Formerly Royal Break-Stone™ (same great product with a new name)

The name "Chanca Piedra," means "to break up stones" in Quechua and Spanish. Royal Chanca Piedra™ contains a variety of *Phyllanthus* species.

This botanical is traditionally prepared in Peru as a tea. Royal Chanca Piedra™ tea is in a loose tea form.

Supports

- Optimal kidney function*
- Bladder and healthy urination*
- Healthy uric acid level*
- Liver detoxification*
- Good digestion*
- Healthy gall bladder*
- Healthy liver function and liver enzyme levels*
- Healthy LDL cholesterol levels*

Directions for Use

For Immediate and Urgent Use: Take 1 cup of tea 3-4 times daily for liver-gall bladder support and 6-8 times daily for kidney-bladder support on an empty stomach for up to one month or as directed by your health care practitioner.

For Maintenance: Take 1 cup of tea once or twice daily on an empty stomach for 5-6 days a week.

To Prepare: Add 4 level teaspoons to 5 cups of boiling water. Reduce heat and simmer for 15-20 minutes. Strain when cool. Makes 4 cups of pleasant tasting, healthful tea. Serve hot or cold. Store in refrigerator in a glass container with lid for up to 1 week.

Royal Cat's Claw is made from *Uncaria tomentosa*, the most potent species of Cat's Claw. Other companies may use a less potent species because it is easier to collect.

Warning: Do not attempt to self-treat if you think you have gall stones or kidney stones. Whole World Botanicals does not sell drugs to treat diseases. This product is intended to support the structure/function of the body. If you think you have gall stones or kidney stones, consult your physician.

Product Specifications
