

## Royal Desmondium™ Tea

### Botanical Name: *Desmodium adscendens*

*Desmodium adscendens*, a rainforest plant native to South America and West Africa, is the single ingredient in all Royal Desmondium™ products. To highlight its various uses, it is available under four different labels and in a loose tea form.

### Supports

- Relief of chronic low back and tendon pain\*
- Relaxing tight, cramped muscles\*
- Traumatic injury recovery (sports, car accident, etc.)\*
- Relief of allergy symptoms (anti-histamine and anti-anaphylactic shock)\*
- Fast-acting dilation of bronchial tubes\*
- Easier breathing for lung issues, including asthma and COPD\*
- Free flow of air in lungs and nasal passages\*
- Healthy liver function\*
- Liver enzyme level regulation\*

### Directions for Use

Take on an empty stomach.

**For Immediate and Urgent Use:** Take 2-3 cups of tea 3 times a day on an empty stomach (up to 15 minutes before eating or 2 hours after). If using the product for the first time, start with 1 cup twice a day.

**For Maintenance:** Take 1 cup of tea 1-2 times a day on an empty stomach or consult your health care practitioner.

**To Prepare:** Add 4 level teaspoons to 3 cups of boiling water. Reduce heat and simmer for 10-15 minutes. Strain. Makes 2 cups of pleasant tasting, healthful tea. A larger quantity may be prepared and stored in refrigerator in glass or plastic jar with lid for up to 1 week. May be served hot or cold.

### Product Specifications

Loose tea: 1 cup contains 2g *Desmodium adscendens* leaves and stems.
