

# Royal Graviola™ Liquid Extract

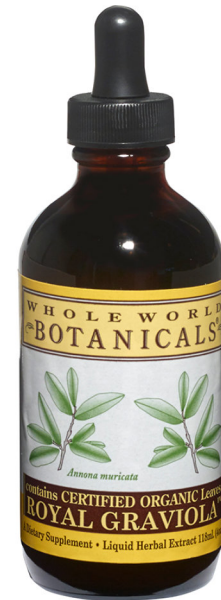

## Botanical Name: *Annona muricata*

*Graviola, the leaves of the guanabana tree, have been the subject of many scientific studies and a number of patents have been applied for based on exciting results found by researchers, principally in vitro.*

*Traditionally, Graviola is used by native peoples of South America to support the immune system, help maintain healthy blood pressure and as sleep support.\**

## Benefits

- Supports the DNA integrity of cells\*
- Contains a broad spectrum of anti-microbial agents for bacterial and fungal infections\*
- Promotes healthy blood pressure level in people with a tendency towards high blood pressure\*
- The alkaloids in Graviola have been found to help low mood by its regulation of serotonin in the brain\*
- Used as a sleep aid because of its tranquilizing effect\*
- May be effective against internal parasites and worms\*

## Directions for Use

**For Immune Support\*:** Take 30 minutes before or 2 hours after meals. Start with 30 drops once a day. Increase gradually to 4 servings a day. Then gradually increase to 60 drops per serving and take for up to 3 months or as directed by a physician.

**For Healthy Blood Pressure\*:** Take 30 drops in water before bed.

**Warning:** *Do not take if pregnant or nursing or if you have a neurodegenerative disorder or Parkinson's disease. If drowsiness or drop in blood pressure occurs, do not operate heavy machinery or drive. Do not use with anti-depressants or anti-convulsants. Keep away from children. This product is not for long-term daily use. In rare cases, continuous usage over many years, Graviola has caused adverse neurological changes.*
